Introducing

the 1939

Sagebrusher

Edited by the Senior Class of Rock Springs High School

SCHOOL SONG

Rock Springs High School students are we
Seeking knowledge ever we'll be.
Our lives to improve we shall try,
Dear old Rock Springs High.

Rock Springs High School dear to my heart,
Sad the day when we have to part.
Happy days are now passing by,
Dear old Rock Springs High.

CHORUS

Rock Springs, our dear old Rock Springs High School,
Rock Springs, the school we love so well,
Ever we will submit to your rule,
Ever of you our praises tell.
Sacred the memory we shall cherish
Of friends and teachers all so true.
Your colors orange and black bid us come back,
Dear Rock Springs High School to you.

FOREWORD

The Sagebrusher Yearbook staff presents this book in the sincere hope that it will give a true picture of 1938-39 and bring back pleasant memories of work and play at Rock Springs High School.

Trouncer, our tiger mascot, is a symbol of our years in high school. He represents our gay and victorious past. Trouncer has led us safely along the paths of knowledge to spread before us new trails into the future.

OUR BOARD OF EDUCATION

Dr. G. H. Breihan, Gust Sturholm, J. B. Young, Gordon Morris, Leland Johnson, E. M. Thompson, Superintendent of Schools.

Behind the busy workings of our school is a group of men who are greatly responsible for the many improvements and privileges of our educational system. Our Board of Education provides policies for our school; it sees that funds are appropriated and taxes collected to keep our schools in operation; in every way it upholds our interests.

Our Board is made up of three senior members of long service and three junior members. J. B. Young, President of the Board, Gust Sturholm, and Dr. G. H. Breihan are the senior members. Gordon Morris, Leland Johnson, and Rudolph Anselmi are the junior members.

Pictured above we see the Board of Education at one of its regular monthly meetings. Mr. Rudolph Anselmi, State Senator, was not present when the picture was taken.

We, the class of 1939, wish to give honor and respect to our loyal Board of Education.

BOARD OF CONTROL

George Okano, Stanley Tominc, Paul Putz, Darrell Stiteler,
Edward Halsey
Betty Christie, Betty Baldrige, Miss Agnew, Carmen Husa,
Dena Shiamanna

The board of control is composed of the officers and the sponsors of the Student Association and the chairman of each council.

This board strives in every way for the betterment of our school. It performs many traditional duties—such as planning school parties and mixers, awarding the citizenship trophy, and taking charge of the Lost and Found Department.

Each year the board undertakes some new project. This year it has undertaken the making of two flags which are to be placed in the auditorium. One is the school flag, which has the school seal appllied on it; the other is the athletic flag, which has a tiger on it.

Another project of the board for this year has been the making of a gavel to be presented to the incoming president of the Student Association.

The two pictures at the bottom of this page show Barney Ferrero and George Okano, two seniors who were chosen on the All-State Football team. Paul Putz, also a senior, was recognized as one of the outstanding players and was mentioned on Honorary All-State teams.

GIRLS' ATHLETIC LEAGUE

G. A. L. is an activity which enables girls to participate in various sports. The officers of this organization are Betty Young, president; Zora Bekakis, vice president; Betty Noble, secretary; and Lena Dellai, treasurer. Alice Ruth Adams is in charge of the sports activity. Four of the officers are shown in the first picture above.

The sports activity is divided into groups of teams who compete with one another. In the second picture we see Vivian McKenna's championship baseball team.

In the third and sixth pictures the tumblers are shown. They have provided much entertainment in the form of gymnastic feats and clown stunts.

The basketball squad is shown in the fourth picture. The girls have played in the preliminaries at the games.

If the fifth picture we see the entire group of G. A. L. members .

PUBLIC SPEAKING AND DRAMATICS

The first picture at the top of the page shows the National Forensic League. Members of N. F. L. are those who have done outstanding work in debate.

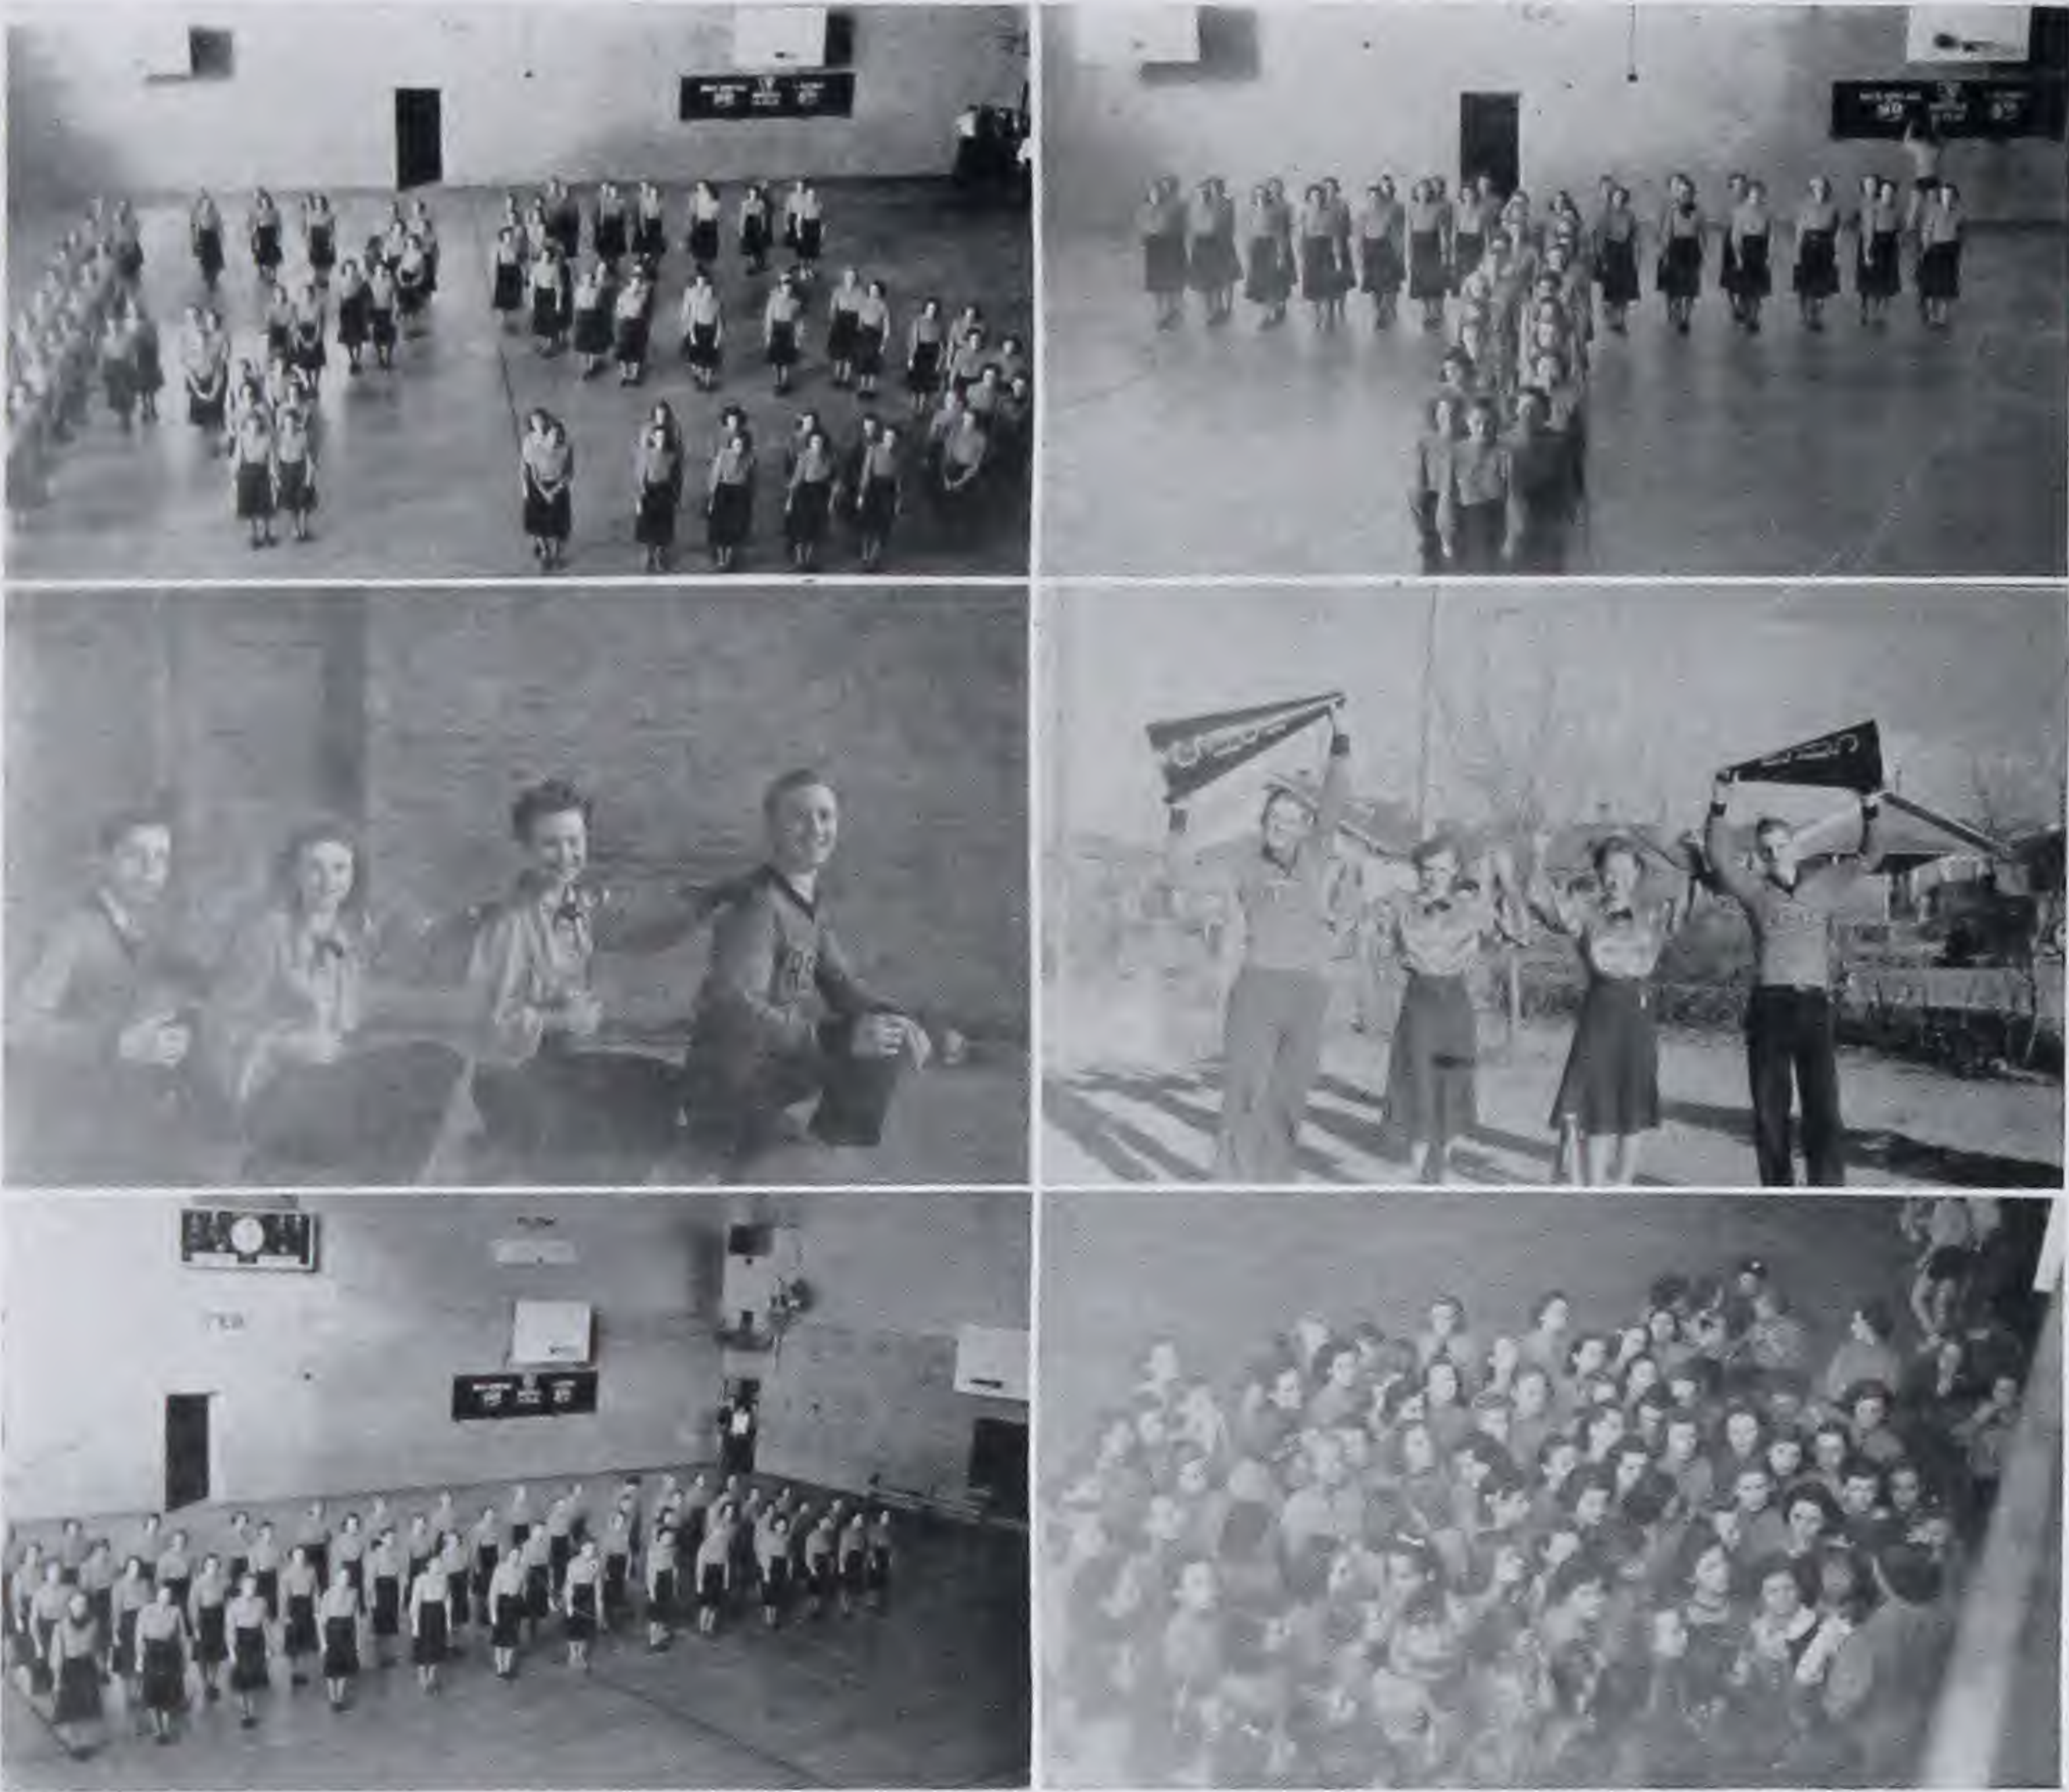

At the upper right is the National Thespian Society. This organization was newly founded this year for the purpose of giving recognition to those students who have participated in high school dramatics productions.

In the center picture are shown the members of the dramatic classes who participated in the night of one act plays. Plays represented were "The Valiant," "Pink and Patches," "A Minuet," and "Elmer."

In the picture at the lower left is the group who participated in the first all school play, "Square Crooks."

At the lower right you see the debate team.

PEP SQUAD

A newly formed organization which has aroused school spirit in our high school is the Pep Club. It has caused a new feeling of sportsmanship in the school, and the effects of it can be seen in all activities.

The members of the Pep Club have participated in our assemblies, in the Homecoming Parade, and in the sport activities of the school. The girls have sponsored many projects in order to raise money for their brightly colored uniforms.

The first two pictures above show the girls of the Pep Squad in formation, making the R, S, and T.

In the center we see the yell leaders: John Davis, Helen Creighton, Marijane Waitley, Daniel Brown, and Darwin Griffiths.

In the picture at the bottom left we see the squad in formation. At the bottom right the entire group is listening to a pep talk given by their sponsor, Miss Capen.

THE SCHOOL PLANT OF DISTRICT NO. 4

The building shown above was built during 1914-15 at a cost of \$100,000. It was used for the high school plant from September, 1915 till June, 1932. At the present time it is used as a Junior High school. On this school site Old Main was built in 1890. This building sometimes known as the "rock building" housed the high school until 1915. From 1915 to 1923 it was used for a grade and Junior High school. From 1923 to 1932 it housed the Junior High and the overflow from the Senior High school. Old Main was razed in December, 1933; the material was converted into the high school stadium with C. W. A. labor.

The Senior High School plant was built during 1931-32 on a new plot of over 10 acres purchased from the Union Pacific Coal Company. The building and grounds cost was covered by a bond issue of \$350,000. Since 1933 the grounds have been developed into an outstanding stadium and sports center. This complete plant has no superior in the Rocky Mountain area.

The Washington school was built in two sections: the front section in 1909, the rear section in 1917, at a cost of \$70,000, including grounds.

The Yellowstone, the Roosevelt, and the Lowell schools were built under one contract during 1922 at a cost of \$160,000. Extensive landscaping and improvement of all school grounds have been carried on since 1934. In 1927 the board purchased "Old China Town" at the rear of the Washington School at a cost of \$11,300. This plot is now a beautiful playground with a stone wall, tennis courts, soft ball court and basketball courts.
